

# 8th Annual SABA Hunger Walk

Saturday, November 4th  
9:00 - 12:00 Noon  
at Comanche Park #2

**COME AND WALK WITH US!**

*2600 Rigsby Ave*

- Texas has 1.3 million people who experience hunger daily.
- 17% of the population is hungry or food insecure.
- Texas is the second most insecure state in the nation.
- Texas has the highest food insecurity rate among children.
- San Antonio leads the state in the above categories with over 230,000 people in need of food daily. One in four children struggle with food insecurity.

## **SUPPORT A FOOD PANTRY**

Thirty-nine Baptist Churches operating a food pantry are in need of your help! You are aware the demand for food has dramatically increased, making it difficult for our churches to financially meet the needs of those in their community who are hungry. Many of our churches are located in areas with the greatest need for food, but their resources are small. This hunger walk is in response to these needs!

- 75% of the proceeds will go directly to our Baptist Food pantries.
- 25% will go to local food banks and community hunger ministries.

## **SPONSOR A WALKER**

With over 270 Baptist Churches who make up the San Antonio Baptist Association, the potential to make a difference in San Antonio is great! Help us by praying for those who are in need of food and by sponsoring a walker, who is giving time and energy to this important need! Contact: Steve Payne @ 525-9954
